

CURRICULUM VITAE

Surname: Nilforushan

First name: Naveed

Title: Medical Doctor

Academic Degree: Ophthalmologist / Cornea and Glaucoma surgeon

Office address:

The University / Department of group: Iran University of Medical Sciences / Rassoul Akram Hospital, Department Of Ophthalmology, Glaucoma division

Zip code: 14455364

Phone number: +982166509162

E-mail: naveednil@yahoo.com

Biographical Data:

Birth date: July 15, 1965

Gender: Male

Education:

Medical Doctor
1983-1990

Iran University of Medical Sciences
Tehran-Iran

Resident of Ophthalmology
1990-1994

Iran University of Medical Sciences
Tehran-Iran

Cornea and
Glaucoma Fellowship
2000-2002

Iran University of Medical Sciences
Tehran-Iran

Glaucoma Fellowship
2010-2011

Jules Stein Eye Institute,
University of California Los Angeles

Work Experience:

First job title: Assistant professor of Ophthalmology, faculty member

Department, date started – date ended Department of Ophthalmology, Lorestan University ,Ashayer Hospital, khoram Abad, Iran ,1994-2000

Job duties: Teaching

Second job title: Assistant professor of Ophthalmology, faculty member

Department, date started – date ended: Department of ophthalmology, Iran University of Medical Sciences from 2001 until 2011

Job duties: Teaching

Third job title: Associate professor of Ophthalmology, faculty member

Department, date started – date ended: Department of ophthalmology, Iran University of Medical Sciences from 2012

Job duties: Teaching

Oral Presentations :

1. Dry eye and its management "Symposium of orbit and neurophthalmology". Iran University of medical sciences. May 2001
2. Viral keratoconjunctivitis" congress of optometry. Iran University of medical sciences. June 2002
3. "Corneal degenerations" congress of optometry. Iran University of medical sciences. June 2002
4. "Classification of open angle and angle closure glaucoma" congress of optometry. Iran University of medical sciences. June 2002
5. "The single field analysis" Instruction course of Humphrey field analyzer. Iran University of medical sciences. Sept 2003
6. "Following Glaucomatous Field Loss" Instruction course of Humphrey field analyzer. Iran University of medical sciences. Sept 2003
7. "SWAP test and FDT" Instruction course of Humphrey field analyzer. Iran University of medical sciences. Sept 2003
8. "Intermediate term results of Deep Sclerectomy in 14 eyes" 13th ophthalmology congress of Iran. Dec 2003
9. "Combined Phacoemulsification and filtering surgery" symposium of cataract surgery. Iran University of medical sciences. Feb 2003
10. "Visual field changes in glaucoma" symposium of glaucoma. Vanak eye center. Tehran – Iran. July 2004

11. "Scanning laser ophthalmoscopy" 14th Iranian congress of ophthalmology. Dec 2004
12. "New clinical trials in glaucoma" 14th Iranian congress of ophthalmology". Dec 2004
13. "Measurement of peripapillary nerve fiber layer thickness by OCT2 in normal eyes of Iranian population". 14th Iranian congress of ophthalmology. Dec 2004
14. "Normal tension glaucoma" symposium of new concepts in glaucoma, Shahid Beheshti University of medical sciences. Tehran – Iran, May 2005
15. " Causes and prognosis of endophthalmitis" Instruction course of endophthalmitis, Iran University of medical sciences, June 2005
16. "Baerveldt tube implant in refractory glaucoma in young patients" 15th Iranian congress of ophthalmology, Dec 2005
17. "Medical treatment in childhood glaucoma" instruction course in medical therapy in glaucoma. Iran university of medical sciences, Feb 2006
18. "HRT2, HRT3" instruction course of new imaging technique in glaucoma, Tehran University of medical sciences, May 2006
19. "Dynamic contour tonometer" symposium of new diagnostic instruments in ophthalmology, Vanak" eye center, Nov 2005.Tehran-Iran
20. " Pathogenesis of Dry eye" symposium of Dry eye, Iran University of medical sciences, Aug 2006
21. "Neovascular glaucoma" symposium of diabetic retinopathy, Iran University of medical sciences. Aug 2006
22. "Glaucoma in high myopia" instruction course of high myopia, 16th Iranian congress of ophthalmology, Nov 2006
23. "Cyclophotocoagulation" symposium of glaucoma, Tehran University of medical science, Dec 2006
24. "New surgical techniques in glaucoma" Instruction course of non medical management of glaucoma, Iran university of medical science, Feb 2007-02-18"
25. "Combined phacoemulsification and glaucoma surgery" symposium of cataract surgery in special cases. Iran university of medical sciences, Feb 2007-02-18"
26. " Laser therapy in glaucoma" glaucoma symposium. Isfahan University of medical sciences. Mar 2007, Iran
27. "Nanophthalmos " glaucoma symposium. Isfahan University of medical sciences. Mar 2007 ,Iran
28. "HRT3" glaucoma symposium. Isfahan University of medical sciences. Mar 2007 , Iran
29. "Post lensectomy Glaucoma" Symposium of eye trauma, Tehran University of Medical sciences, May2007
30. "Pathogenesis of Dry eye" Symposium of dry eye, Iran University of medical sciences ,June 2007.
31. "Anterior segment OCT" symposium of New imaging Technologies in Ophthalmology , Iran University of medical sciences, July 2007
32. "HRT3:principle and interpretation" symposium of New imaging Technologies in ophthalmology , Iran University of medical sciences, July 2007

33. "Uveitic and Neovascular Glaucoma" symposium of glaucoma , Tehran University of medical sciences, Nov 2007
34. "Current opinions in glaucoma imaging devices" Tehran University of medical sciences, May 2008
35. " Strategies for medical therapy in glaucoma : " Zahedan University of medical sciences, Oct 2008
36. ": Strategies surgical therapy in glaucoma : " Zahedan University of medical sciences, Oct 2008
37. "New methods in glaucoma surgeries " Vanak eye center, Oct 2008-11-30
38. "Non bleb forming glaucoma surgeries" 18th Iranian congress of ophthalmology. Nov 2008
39. "Post traumatic glaucoma" 18th Iranian congress of ophthalmology. Nov 2008
40. " Anterior segment OCT in glaucoma "18th Iranian congress of ophthalmology. Nov 2008
41. "Post penetrating keratoplasty glaucoma" 18th Iranian congress of ophthalmology. Nov 2008
42. "Optic nerve head in glaucoma "18th Iranian congress of ophthalmology. Nov 2008
43. "Updates on pharmacotherapy in Glaucoma "Instruction course of pharmacotherapy in ophthalmic diseases", Iran University of Medical sciences.
 - a. 5-7 March 2009
44. " Role of Ultrasound Biomicroscopy in Glaucoma" Symposium Of Glaucoma , Beheshti University of medical sciences : Feb 2009
45. "HRT3" Symposium Of Glaucoma , Beheshti University of medical sciences : Feb 2009
46. "Non bleb forming glaucoma surgeries" Symposium Of Glaucoma , Beheshti University of medical sciences : Feb 2009
47. "New strategies in glaucoma treatment" workshop of medical therapy in glaucoma , Beheshti University of medical sciences, May 2009
48. "Basic principles in Humphrey visual field" workshop of visual field , Iran University of Medical sciences, OCT 2009
49. " Reliability indices in Humphrey visual field" workshop of visual field , Iran University of Medical sciences, OCT 2009
50. "Combined cataract and glaucoma surgery" 19th Iranian congress of ophthalmology. Nov 2009
51. "Neuroprotection and gene therapy in glaucoma" 19th Iranian congress of ophthalmology. Nov 2009
52. "Factors affecting the IOP measurement" 19th Iranian congress of ophthalmology. Nov 2009
53. "A comparison of intraocular pressure lowering effect of latanoprost 0.005% with two different dosing regimen: once daily and once every other day" 19th Iranian congress of ophthalmology. Nov 2009

54. "Evaluation of Subconjunctival Ocusgen implantation as an Adjunct to Trabeculectomy" 19th Iranian congress of ophthalmology. Nov 2009
55. "Consensus in glaucoma : Structure and function" ,Symposium of glaucoma diagnosis, Beheshti University of medical sciences, Dec 2009
56. "New tonometers" Glaucoma symposium ,Tehran University of Medical sciences, May 2010
57. " Laser trabeculoplasty: New methods", Tehran University of Medical sciences, May 2010
58. "Anterior segment OCT in Glaucoma" Jules Stein Eye Institute, University of California Los Angeles , September 2011
59. "Post uveitic glaucoma" First symposium of ophthalmologist around the country, 11-15 Sep 2011
60. Anterior segment imaging in glaucoma" First symposium of ophthalmologist around the country, 11-15 Sep 2011
61. "Ocular response analyser in glaucoma" 21th international Iranian congress of ophthalmology. 14-17 Nov 2011
62. "Anterior segment imaging in glaucoma"21th international Iranian congress of ophthalmology. 14-17 Nov 2011
63. "Phacoemulsification and NPGS" 21th international Iranian congress of ophthalmology. 14-17 Nov 2011
64. "Photorefractive keratectomy can affect the HRT findings" 21th international Iranian congress of ophthalmology. 14-17 Nov 2011
65. "Thyroid eye disease and glaucoma" A joint ophthalmology / Endocrinology conference
a. Dec 20,2011
66. "Intraocular lens selection in glaucoma patients" 18th Farabi annual seminar May 2012
67. "Challenging case in Glaucoma –Case presentation" 3rd Annual Congress of Controversy in Ophthalmology, July 2012, Tehran- Iran
68. "Glaucoma progression detection with imaging devices" Seasonal meeting of Iranian Glaucoma Society, Sept 2012
69. "Routine glaucoma cases in daily clinical practice" 22nd annual congress of Iranian Society of Ophthalmology, Nov 2012
70. "New Anatomical Concepts in Glaucoma" Annual Ophthalmology Congress of Shahid Beheshti, Feb 2013
71. "Intra ocular lens selection in glaucoma patient" Farabi eye CME. June 2013
72. "Role of imaging in glaucoma diagnosis and progression detection" 23rd annual Congress of Iranian Society of Ophthalmology , Oct 2013
73. "Clinical findings in glaucomatous optic neuropathy" 23rd annual Congress of Iranian Society of Ophthalmology , Oct 2013
74. "Role of glaucoma imaging in daily practice" 23rd annual Congress of Iranian Society of Ophthalmology , Oct 2013

- 15- Naveed Nilforushan, Maryam Yadgari "Long term results of AGV implantation" Mashad 1st international Congress of Glaucoma May 2015

Honors and Awards:

1-Second laureate fundamental research "Genetic study on glaucoma and Parkinson's disease in Iran" 23th Khwarizmi international award February 7th, 2011 Tehran-Iran

Surgical Experience:

- 1) Trabeculectomy: More than 800 operations
- 2) Shunt procedures: More than 300 operations
- 3) Deep sclerectomy and Visco canaloplasty : More than 60 operations
- 4) Trabeculotomy and Goniotomy : More than 100 operations
- 5) Trans scleral diode cyclophotocoagulation: More than 300 operations
- 6) Phacoemulsification: more than 2500 operations
- 7) Penetrating and Lamellar Keratoplasty, DSEAK : More than 100 operations
- 8) Laser refractive surgery: more than 500 eyes
- 9) Phakic IOLs: more than 100 eyes
